

CORTAVO™

Simplifying technology.
Enabling growth.
Empowering businesses to thrive.

50 STATES

Nationwide IT Coverage
Technology Built to Scale
Highly Skilled Help Desk

WHO WE ARE

Cortavo is a nationwide, all-inclusive IT provider offering hardware, software, cloud, and cybersecurity in one predictable monthly price.

WHO WE SERVE

We partner with nonprofits of all sizes helping them protect donor data, modernize their technology, and support staff working both in the office and in the field.

“We chose Cortavo after evaluating 13 vendors and are happy with our decision”

Everything is included in the monthly services agreement, no surprises. It's just one monthly invoice, competitively priced. –
